*Delivery in as little as 1 hour based on national averages, actual times may vary. Exclusions and restrictions apply. Orders \$35 or more (after promo codes and paperless coupons are applied and before taxes) qualify for free delivery. Delivery or 1-hour Delivery is available daily from 9 am to 10 pm for eligible items. However, delivery hours and order cut-off times may vary by store location. Some deliveries may not be eligible for 1-hour Delivery or Delivery in as little as 1 hour due to delivery address, holidays, weather or other delivery constraints. Prescriptions are not eligible for 1-hour Delivery but may be eligible for delivery through Walgreens Express®. At this time, delivery of orders containing alcohol is limited to select IL and FL stores. Available delivery hours for select age-restricted items may vary by store location. Deliveries must either be entirely accepted or rejected. No partial order acceptance is permitted. Most deliveries do not require an individual's presence or signature. However, if your order contains an age-restricted item, you will be required to show a valid government ID to verify age. A signature may also be required to accept orders containing alcohol.

**Pickup in as little as 30 minutes based on national averages, actual times may vary. Exclusions and restrictions apply. Pickup or 30-minute Pickup is available for eligible items when your order is \$10 or more (after promo codes and paperless coupons are applied and before taxes). There is no additional fee for pickup. For Walgreens store locations that are not open 24 hours, orders must be placed at least one hour prior to store closing to be eligible for same-day pickup. Otherwise, the order will be ready next business day. You will receive an email or text (if opted in) when your order is ready for pickup. Orders are not guaranteed to be ready within the 30-minute time window. We will notify you if there is a delay and will hold your order for 72 hours before canceling. Depending on your selected pickup store, you may have up to three options for pickup: curbside, drive-thru or in-store pickup. Orders containing prescriptions may be picked up at the pharmacy counter or drive-thru. Select items (e.g., liquids, perishables, bulky items) are not compatible with drive-thru pickup. If your order contains such an item, you may be asked to pick it up curbside or in store. Orders containing age-restricted items are not eligible for curbside pickup. If your order contains age-restricted items, you will need to pick up your order in store or at the drive-thru and provide a valid government ID to verify your age. Available pickup hours for select age-restricted items may vary by store location.
